## CLASS DESCRIPTION

### A Plus National Team (Formerly Early Release)

Program Instructors (Jimmy Davis, Jakob Nielsen, Momin Khan, Steve Hyre, Matt Lord, Division 1 Collegiate Players)

The A Plus National Team is an invitation only program geared towards players competing in National L1-L3's. This program is designed to allow Mid-Atlantic players to compete with some of the strongest sections and players enrolled in full time academies while giving them the flexibility to stay in their current school systems in an early release capacity if needed, with players also opting to transition to online schooling as well. This program is Monday through Friday and will be an all inclusive training program focused on the tactical, technical, mental, and physical components of the game. This program eliminates the need for multiple private lessons per week (one lesson per week is still recommended to refine technical skills), each player will receive individual attention throughout the training program. A typical training day for the National Team Monday-Friday will be 2.5 hours of tennis, and 1 hour of fitness but this can vary based off of the needs of each individual player on a week to week basis.
